THE SHOW

The glamour of the Las Vegas lounge, live in your room

Tuxedos, swing, banter and the biggest ballads ever sung on the Strip. *Vegas Nights Reborn* brings back the golden age of the Las Vegas showroom, when Sinatra, Dean Martin, Sammy Davis Jr. and Elvis ruled the night. With the full sound of a big band, or stripped back to voice and piano, it puts the songs, the stories and the swagger front and centre.

What your audience gets

- ◆ **The songs.** The best-loved hits of the Rat Pack, the King and the great showroom singers, from Fly Me to the Moon to Suspicious Minds.
- ◆ **The stories.** Moments from the golden age of the Strip, woven between the numbers.
- ◆ **The look.** Dylan performs in a tuxedo on his own Shure 55SH, the vintage-style microphone of the era.
- ◆ **The sound.** Full big-band backing tracks for the true Vegas sound, or a professional pianist for an intimate supper-club show.
